Directions and Parking

- Church Street is located off the main square of Wimborne Minster, which is accessed via the one way system.
- Whether you are entering Wimborne from Corfe Mullen, Poole, Ringwood, Blandford or Cranborne, you will need to follow signs for 'Town Centre'.
- This will ensure that you enter onto Wimborne's central one-way system.
- Follow the one-way system around until you get the junction / mini-roundabout on the corner by 'The Pudding and Pye' public house.
- You then need to turn onto West Street (signposted 'Town Centre') and follow West Street for approx 200 yards, where you then need to turn sharp right into 'West Row' (in between 'Sticks and Stone' and 'Minster Sports').
- Follow the road around to the left and take an immediate sharp left into 'Cornmarket Court'.
- We have 8 parking spaces available at the far end of Cornmarket Court, behind our offices which are clearly marked.
- The access to the rear of the office is to the left of the building via an intercom system.
- If travelling by foot, it will be easier to get yourself to the central square in Wimborne, and turn onto Church Street (between 'Nationwide' and 'Woolworths') and walk approx 50 yards towards the Minster and numbers 7 & 8 will be on your right.
